# WINDING CORES

## Light and strong :

- Easy to handle by operators
- High stiffness allowing to rewind heavy load either at high speed

## Alveolar structure with low inertia

2 types of Alveotube® profiles availables in various diameters, lengths and with a large choice of coatings:

- 3RC 230 profile adapted to 6" bars
- 2RK profile adapted to square bars

## Resistant to corrosion

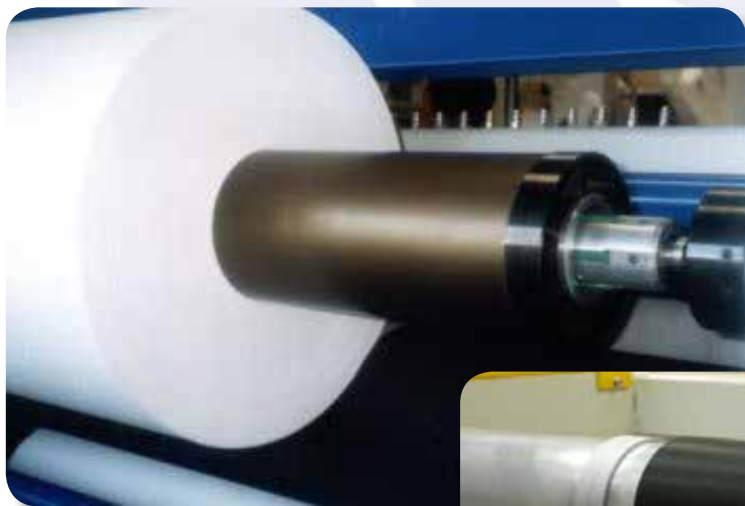

- Reusable
- Long life

## Easy to balance
